## YOUR PLANNING EVALUATION

10-50: You might want to seek planning assistance!

51-70: You have done some good planning, but a great deal of additional work needs to be done.

71-85: You are well on your way. Creative fine-tuning will help maximize your planning outcomes.

86-100: You should write a book and teach others to do this. Great job!

Most affluent Christians fall between 51-70.
